“SEC. 399I. FETAL ALCOHOL SPECTRUM DISORDERS CENTERS FOR EXCELLENCE.

“(a) IN GENERAL.—The Secretary shall, as appropriate, award grants, cooperative agreements, or contracts to public or nonprofit entities with demonstrated expertise in the prevention of, identification of, and intervention services with respect to, fetal alcohol spectrum disorders (referred to in this section as ‘FASD’) and other related adverse conditions. Such awards shall be for the purposes of establishing Fetal Alcohol Spectrum Disorders Centers for Excellence to build local, Tribal, State, and national capacities to prevent the occurrence of FASD and other related adverse conditions, and to respond to the needs
of individuals with FASD and their families by carrying out the programs described in subsection (b).

“(b) PROGRAMS.—An entity receiving an award under subsection (a) may use such award for the following purposes:

“(1) Initiating or expanding diagnostic capacity for FASD by increasing screening, assessment, identification, and diagnosis.

“(2) Developing and supporting public awareness and outreach activities, including the use of a range of media and public outreach, to raise public awareness of the risks associated with alcohol consumption during pregnancy, with the goals of reducing the prevalence of FASD and improving the developmental, health (including mental health), and educational outcomes of individuals with FASD and supporting families caring for individuals with FASD.

“(3) Acting as a clearinghouse for evidence-based resources on FASD prevention, identification, and culturally and linguistically informed best practices, including the maintenance of a national data-based directory on FASD-specific services in States, Indian Tribes, and local communities, and disseminating ongoing research and developing resources on
FASD to help inform systems of care for individuals with FASD across their lifespan.

“(4) Increasing awareness and understanding of efficacious, evidence-based FASD screening tools and culturally- and linguistically-appropriate evidence-based intervention services and best practices, which may include by conducting national, regional, State, Tribal, or peer cross-State webinars, workshops, or conferences for training community leaders, medical and mental health and substance use disorder professionals, education and disability professionals, families, law enforcement personnel, judges, individuals working in financial assistance programs, social service personnel, child welfare professionals, and other service providers.

“(5) Improving capacity for State, Tribal, and local affiliates dedicated to FASD awareness, prevention, and identification and family and individual support programs and services.

“(6) Providing technical assistance to grantees under section 399H, as appropriate.

“(7) Carrying out other functions, as appropriate.

“(c) APPLICATION.—To be eligible for a grant, contract, or cooperative agreement under this section, an enti-
ty shall submit to the Secretary an application at such
time, in such manner, and containing such information as
the Secretary may require.

“(d) SUBCONTRACTING.—A public or private non-
profit entity may carry out the following activities required
under this section through contracts or cooperative agree-
ments with other public and private nonprofit entities with
demonstrated expertise in FASD:

“(1) Prevention activities.

“(2) Screening and identification.

“(3) Resource development and dissemination,
training and technical assistance, administration,
and support of FASD partner networks.

“(4) Intervention services.

“SEC. 399J. AUTHORIZATION OF APPROPRIATIONS.

“There are authorized to be appropriated to carry out
this part such sums as may be necessary for each of fiscal
years 2024 through 2028.”.

(b) REPORT.—Not later than 4 years after the date
of enactment of this Act, the Secretary of Health and
Human Services shall submit to the Committee on Health,
Education, Labor, and Pensions of the Senate and the
Committee on Energy and Commerce of the House of
Representatives a report on the efforts of the Department
of Health and Human Services to advance public aware-
ness on, and facilitate the identification of best practices related to, fetal alcohol spectrum disorders identification, prevention, treatment, and support.
